

With **multipark.ch**, multizone parking badges are just a click away!

For individuals and companies

The web application **multipark.ch** developed by the Fondation des Parkings enables you to purchase and activate parking rights for a day or half a day, remotely and at any time.

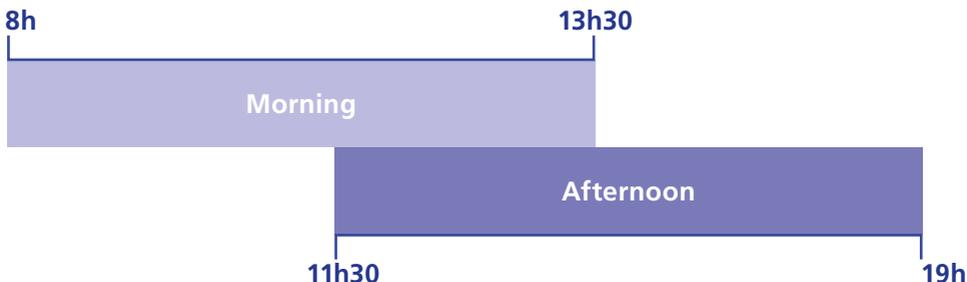

No longer any need to place a physical parking badge behind the wind-screen ! Checking the right to park is based on the vehicle's number plate.

Prices and validity period

Half-day CHF 10.–

Full day CHF 20.–

The 'Plus' multizone parking badge

Are you a company running screen-printed vehicles such as tool vans, supply trucks for building sites, or emergency intervention vehicles?

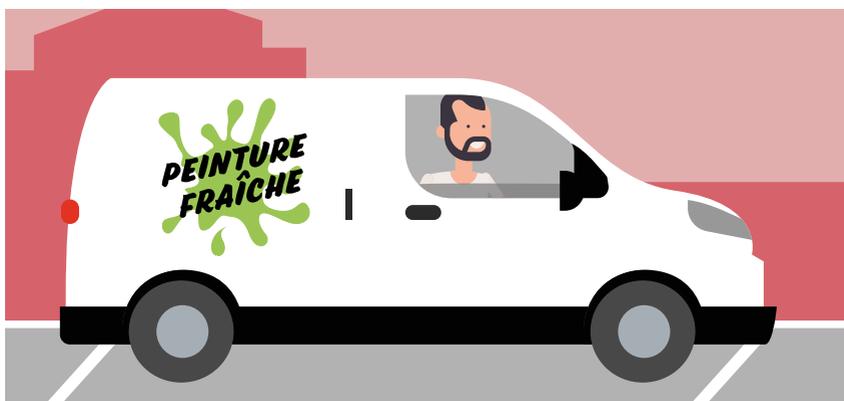

The **'Plus' badge** enables you or your staff to park in blue or white parking spaces in all badge zones, in the context of your professional activity, for a day or half-day.

Specific functionalities for companies

Approved companies have access to additional services, in particular:

- Purchasing badges in advance.
- Creating sub-accounts for staff who will then be able to activate the badges in function of their parking needs.
- Registering several vehicles.

The **'Plus' badge** is valid in all badge zones in the canton of Geneva, on parking spaces indicated by signs like those shown below:
