

# Multizone permits are just a click away with **multipark.ch**!

For individuals and businesses

The **multipark.ch** web app developed by Fondation des Parkings lets you buy and activate day parking permits at any time from wherever you are.

You no longer need to display a physical permit in your windscreen! Your parking entitlements are checked using the vehicle's license plate.

## Prices and lengths of stay

Multizone permits can be used between 08:00 and 19:00, either for a period of 5 consecutive hours following activation (Flex half-day permit), or for the entire day (day permit).

Flex half-day	<b>CHF 10.–</b>
Full day	<b>CHF 20.–</b>

**Single 5-hour  
period**

---

For further information please refer to the regulations of the law implementing the Federal road traffic legislation (RaLCR).

## The PLUS Multizone Permit

Does your company operate marked vehicles such as tool vans, construction site supply vehicles or emergency response vehicles?

The **PLUS permit** lets you and your colleagues park in any blue space or paid white space in the canton when you are parking for business purposes.

### Special features for businesses

Approved companies can access additional services:

- Buy permits in advance and receive an alert when the number of permits available to a vehicle falls below a certain threshold.
- Create sub-accounts for employees so they can activate permits when they need to park.
- Register a fleet of vehicles.
- Delegate your account administration.

The **PLUS Permit** is valid for all blue places in the canton of Geneva, as well as the paid white spaces.

**Blue disc-controlled spaces**

**Permit-controlled spaces**

**Paid white spaces**

**Paid white spaces, time-restricted**

Please note: multizone permits are not valid in the Old Town (B/BB zones).

spaces

### Instructions

- 1 Download not required, just go to [www.multipark.ch](http://www.multipark.ch).
- 2 Create an account:
  - A Enter an email address and password.
  - B Enter your license plate number.
- 3 Select the PUBLIC Permit.
- 4 Choose the timeframe.
- 5 Pay for your permit, it will then be activated automatically.

Create an account using your vehicle's license plate number and buy virtual permits whenever you need them.

La Fondation des Parkings oversees the construction and operation of P+R, resident and visitor car parks, it also manages parking permits and meters and is in charge of parking enforcement.

It manages 30,000 spaces for motorized vehicles and bicycles in roughly 200 car parks - P+R, public and private car parks - as well as 30,000 spaces on public roads.

As an active mobility partner in Geneva, the Foundation is continually expanding its product and service offering according to needs and expectations of its customers.
